Headteacher's Spotlight

After nearly a month of watching the weather, Rory McCann has finished our massive mural. Rory has christened the mural 'Carpe Diem' (Seize the Day). He feels that it takes the children on a journey from the local to the global, to mirror the journey within their minds that they go on when they enter school. It is aimed at being uplifting and inspiring and adding colour to our lives. Rory has said he has enjoyed being a part of our school and he has had some lovely interactions with children and parents. Thanks also go to David Betton for the loan of his tower scaffolding unit and to Mr Castree (and Mrs Malone) for wheeling it in and out each day! Well done to all the children who gave their marvellous ideas for the mural too.

PLEASE CAN ALL PARENT/CARERS READ OUR UPDATED OPERATIONAL PLAN (being sent out with this newsletter).

Please could we ask that if your child develops any Covid - 19 symptoms over the half term break that you let the school know immediately, so that we may advise the relevant organisations. If the school has a positive case confirmed we will inform the relevant learning bubbles and issue advice over the actions that should be taken. The admin@st-lawrenceprimary.co.uk email box will be checked on a daily basis. Thank you.

I would also like to take this opportunity to reinforce that if your child is/has been sent home to self-isolate from our school, or indeed any other school, (but hasn't tested positive), he/she **MUST NOT** leave the house for the duration of the isolation period. Other household members do not have to isolate unless they develop Coronavirus symptoms and require a test.

Huge thanks go out to you all for your continued support over the last few months, it has been wonderful to have the children back in school and to see them enjoying being back in their classrooms or bubbles, as they are now more commonly known. I wish you all a relaxing half term break and look forward to seeing parents (in masks) and children on Monday 2nd November.
