

### Maths

The children will be studying place value; one more and less, ordering and sorting numbers / objects and being introduced to  $> < =$ . After that, the children will investigate through practical and written exercises, addition and subtraction. Maths fluency will also take place for all Year 1/2 children three times a week.

### Music

In Music, the children will be focusing on beat and rhythm. This will be achieved using voices, as well as, percussion instruments. Singing will also take place in a weekly singing assembly.

### Geography

This half term, the children will be comparing the local area. By walking, and using computer software such as Digi maps, the children will compare Church Stretton to Shrewsbury. They will then create a tourism poster to show what Church

Stretton has to offer!

### R.E

This half term, the children will be learning about the religion of Islam. They will also investigate and discover how Muslims live and study the five pillars of Islam.

### Art

As part of the topic 'Into the Woods', the children will be studying the work of Andy Goldsworthy. They will then apply their knowledge to create a leaf man based upon the story 'Leaf man'

## 'Into the Woods'

### Year 1/2 Curriculum Overview

#### Autumn 1st half-term 2022

### Science

For this topic, the children will be studying the various types of trees native to our area. They will be looking at different features, seed dispersal and using this information to determine the most effective method of dispersal and what is the most prevalent tree on the school grounds.

### PE

Our focus will be on games designed to build on motor skills as well as object control. In swimming, the focus will be on water readiness building up to swimming 5m, 10m and more.

In outdoor adventures, the children will be focusing on making music, identifying tree by leaves and creating art inspired by nature.

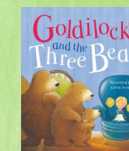

### English

This half term, the children will be focussing on the following areas of writing :  
recounts and poetry

The children will be influenced and inspired by the following stories:

Goldilocks and the Three Bears  
Leaf Man

Phonics lessons will also take place daily.

### Computing

This half-term , the children will look at three topics.  
These are:

- 1) e-safety
- 2) searching the internet safely
- 3) Taking and applying digital photos

This will be taught using

### PSHE and RSE

Using resources from 1Descison and the PSHE association , the children will understand what qualities are needed to be a good friend. This will be reinforced with the St Lawrence Way.
