

**St Lawrence's CE Primary School**  
**Pupil Premium Expenditure & Impact**  
**Autumn 2020**

Pupil Premium is an allocation of funding provided to schools to support children who may be vulnerable to underachievement and are therefore classified as 'disadvantaged'.

The Pupil Premium Grant provides additional funding for children who have been eligible for free school meals in any of the previous six years, as well as those currently eligible. It also provides funding for children who are fostered or have been adopted. A smaller amount of funding for children is allocated for those children who are from Services families (army, navy & RAF).

Our Governing Body has decided that this grant will be most effectively spent on supporting children's learning in the classroom by **providing high quality first teaching, curriculum support, targeted intervention, engagement and enrichment activities, pastoral support and any required social & behavioural intervention.**

As with all children at St Lawrence's, to ensure maximum impact the needs of children entitled to the Pupil Premium are clearly identified, steps are taken to meet their needs and their progress is closely monitored through school. Where small group / 1:1 support is felt to be most beneficial Pupil Premium will be used to support this provision.

### **Principles**

**Teaching and learning at St Lawrence's is designed to meet the individual needs of all children.**

- We ensure that appropriate provision is made for children who belong to vulnerable groups and that socially disadvantaged children have their needs adequately assessed and met.
- We recognise that not all children who receive free school meals will be socially disadvantaged and we also recognise that not all children that are disadvantaged have free school meals.
- We will allocate Pupil Premium funding after a needs analysis to identify priority groups and individuals.

### **St Lawrence's Pupil Premium Grant for April 2019-20: £75,040**

The following is a list of how the support and interventions that the Pupil Premium has been used to facilitate this year.
