## Headteacher's Spotlight

Our Y5s have just spent three fun-filled days of adventure at The Pioneer Centre at Cleobury Mortimer, I am extremely grateful to Mr Brown, Mr Reynolds, Mrs Williams, Mr Davies and Ms Walshaw for going and giving up two nights of sleep!

Soon the Y6s head off to Arthog, near Barmouth, Wales and we are soon going to be offering a one night camp on the school field for our Y4s (with two days of exciting outdoor activities).

Details of the Y4 camp will be out soon. By giving our pupils these adventures we are confident that it helps them to develop so many important skills and have experiences that they'll cherish forever.

We have more biography winners:

Scarlett-Rose Owen; Ola Thomas; Willow Pezzaioli and Jacob Foster.

I have been so impressed by the quality of research and superb writing with all the competition entries. Well done all who have submitted something. We now just need a few more on Stephen Hawking, Mother Teresa and Greta Thunberg.

The plants are all looking good after being in their new homes for 7 days, I wonder which class's plant will win the prize in a few months time?

## Friends' News ...

Hello,

Thank you to everyone that has visited our uniform shop! Recycling the uniform in this way is helping to save our planet. We will do our best to open the uniform shop every half term. Keep an eye on the newsletter and Facebook page for regular updates!

Don't forget to bring in your used ink cartridges for recycling, we make a bit of money for school from this scheme as well as saving them from landfill. Did you know you can also recycle other things in school? Crisp packets, pens, toothbrushes. If there's anything else you can think of that the school don't already facilitate, please let us know!

Alison Adams was our lottery winner this week! Congratulations.

We have a Bags2school collection booked 8th March. Please use your own bin bags for this collection as they are no longer providing plastic bags.

Best wishes,

The Friends' Team

## This year's PRODUCTION

It's almost that time of year again and I'm interested in the pupils ideas of what production they'd like to do.

I have therefore put a box in the library where the children can put their thoughts forward. Over the weekend, have a think and pop your suggestions on a piece of paper and put it in the box.

I'm looking forward to reading them and will make my big announcement in a few weeks time.

Many thanks  
Mrs Malone
